This document is fluid and may change.

The SBA is taking a multi stage restart with Domestic Juniors and VJBL taking priority. Programs like Aussie Hoops and Flight path that require parent or guardian attendance will resume in term 1 2021.

After we get all our venues back for Saturday competition, and we do not require overflow on Tuesday and Wednesday nights the senior comp will restart. We see this happening in Late Jan/Early Feb.

We will be drip feeding information over December and January via Social media and Email.

Junior Domestic

Saturday Competition (U12-U19)

The Saturday Domestic Competition will be returning on the 12th December 2020. We will be running a 'COVID Season', one long season from the 12th of December until 21st August being the last round and grand final day on the 11th September. This season will include five rounds of grading, two in December of 2020 and then another three grading rounds in January of 2021. The Saturday Domestic will look very different for the two rounds in 2020 (see COVID-19 Rules on previous page).

Flight Path

Currently we are looking to get our Flight Path Program (FPP) started in 2021. This will start at the beginning of the school year and will be a longer season similar to the U12-U19 domestic season. More information will be sent out shortly.

Aussie Hoops

Aussie Hoops should return for term 1 of the 2021 school year. This will then be in line with the school terms as it has always been.

Senior Domestic

Senior Domestic will look to return in 2021 once school has resumed. This will then fall in line with the Junior Domestic season and therefore be an extended season. The women's and master men's competition will commence on the 2nd February. The men's (Wednesday) competition will commence on 3rd February. This is still a fluid situation and can change at any time.
